Embrace Technology

StaffStat automates the call-out process so your people can focus on caring for our vulnerable people.

Enhance Your Culture

Enhance communication between leadership & frontline using our Post Memo feature to send policies, give thanks, host contests & more.

Predict Your Future Staffing Needs

Our predictability algorithm allows you to see shortages in advance and get ahead of your schedule.

Strong Staffing Partnerships

Use our Post to the A-Team™ feature for instant access to Canada's largest pool of thoroughly screened healthcare professionals.

Use Your Data to Drive Results

StaffStat collects real-time data to help you keep a pulse on your home's staffing & pinpoint exact hiring needs.

Keep a Pulse on Employee Engagement

Track employee engagement to recognize staff who are present and engaged, and learn from those who aren't.

Empower Your Employees

Provide ultimate flexibility by allowing your employees to take control of their schedules and accept shifts on their terms.

"This innovative technology is helping our residences with more than just filling shifts. StaffStat's vision, mission, and core values upheld by their team closely match those of Revera's and our commitment to improve the aging experience of Canadians."

Brooke Allen, Senior Vice President, Strategic Operations, Revera Inc.
